in this book jamie l brummitt upends long held assumptions about religion and material culture in the early united states by recovering the forgotten history and presence of protestant relics this book will be an essential resource for scholars and students of early american history religion politics art and popular culture

american colonists knew just two types of public building churches and taverns at a time when drinking water was considered dangerous everyone drank often and in quantity the

author explores the role of drinking and tavern sociability

this book was designed as a collaborative effort to satisfy a long felt need to pull together many important but separate inquiries into the nature and impact of inequality in colonial and revolutionary america it also honors the scholarship of gary nash who has contributed much of the leading work in this field the 15 contributors who constitute a who's who of those who have made important discoveries and reinterpretations of this issue include mary beth norton on women's legal inequality in early america neal salisbury on puritan missionaries and native americans laurel thatcher ulrich on elite and poor women's work in early boston peter wood and philip morgan on early american slavery as well as gary nash himself writing on indian white history this book is a vital contribution to american self understanding and to historical analysis

a lively synthesis of early american history now in its third edition the brave new world covers the entire span of early american history from 30 000 years before europeans landed on north american shores to the revolutionary war with its exploration of the places and peoples of early america this comprehensive new edition of a classic textbook brings together the most recent scholarship on the colonial and revolutionary eras native americans slavery and the slave trade politics war and the daily lives of ordinary people in this edition peter charles hoffer incorporates the wealth of innovative work on early american history including fresh material on environmental history the dutch and french caribbean indigenous societies consumer goods mapping captivity tales settler imperialism power who has it who wants it how it is expressed and how it is opposed emphasizing how diverse and entangled the early american imperial world was this edition also greatly expands the geographical scope of the book an updated bibliographic essay offering short descriptions of relevant books articles collections and anthologies rounds out the volume wide ranging and inclusive the brave new world continues to provide students instructors and historians with an engaging and accessible history of early north america

it has often been said that early america was the best poor man's country in the world after all wasn't there an abundance of land and a scarcity of laborers the law of supply and demand would seem to dictate that most early american working people enjoyed high wages and a decent material standard of living down and out in early america presents the evidence for poverty versus plenty and concludes that financial insecurity was a widespread problem that plagued many early americans the fact is that in early america only an extremely thin margin separated those who required assistance from those who were able to secure independently the necessities of life the reasons for this were many seasonal and cyclical unemployment inadequate wages health problems including mental illness alcoholism a large pool of migrants low pay for women abandoned families the

situation was made worse by the inability of many communities to provide help for the poor except to incarcerate them in workhouses and almshouses the essays in this volume explore the lives and strategies of people who struggled with destitution evaluate the changing forms of poor relief and examine the political religious gender and racial aspects of poverty in early north america down and out in early america features a distinguished lineup of historians in the first chapter gary b nash surveys the scholarship on poverty in early america and concludes that historians have failed to appreciate the numerous factors that generated widespread indigence philip d morgan examines poverty among slaves while jean r soderlund looks at the experience of native americans in new jersey in the other essays monique bourque ruth wallis herndon tom humphrey susan e klepp john e murray simon newman j richard olivas and karin wulf look at the conditions of poverty across regions making this the most complete and comprehensive work of its kind

in the transatlantic world of the late eighteenth century easterly winds blew radical thought to america thomas paine had already arrived on these shores in 1774 and made his mark as a radical pamphleteer during the revolution in his wake followed more than 200 other radical exiles english dissenters whigs and painites scottish lads o parts and irish patriots who became influential newspaper writers and editors and helped change the nature of political discourse in a young nation michael durey has written the first full scale analysis of these radicals evaluating the long term influence their ideas have had on american political thought transatlantic radicals uncovers the roots of their radicalism in the old world and tells the story of how these men came to be exiled how they emigrated and how they participated in the politics of their adopted country nearly all of these radicals looked to paine as their spiritual leader and to thomas jefferson as their political champion they held egalitarian anti federalist values and promoted an extreme form of participatory democracy that found a niche in the radical wing of jefferson s republican party their divided views on slavery however reveal that democratic republicanism was unable to cope with the realities of that institution as political activists during the 1790s they proved crucial to jefferson s 1800 presidential victory then after his views moderated and their influence waned many repatriated others drifted into anonymity and a few managed to find success in the new world although many of these men are known to us through other histories their influence as a group has never before been so closely examined durey persuasively demonstrates that the intellectual ferment in britain did indeed have tremendous influence on american politics his account of that influence sheds considerable light on transatlantic political history and differences in religious political and economic freedoms skillfully balancing a large cast of characters transatlantic radicals depicts the diversity of their experiences and shows how crucial these reluctant □migr□s were to shaping our republic in its formative years

colonial america stretched from quebec to buenos aires and from the atlantic littoral to the pacific coast although european settlers laid claim to territories they called new spain new england and new france the reality of living in those spaces had little to do with european kingdoms instead the new world s holdings took their form and shape from the indian territories they inhabited these contested spaces throughout the western hemisphere were not unclaimed lands waiting to be conquered and populated but a single vast space occupied by native communities and defined by the meeting mingling and clashing of peoples creating societies unlike any that the world had seen before contested spaces of early america brings together some of the most distinguished historians in the field to view colonial america on the largest possible scale lavishly illustrated with maps native art and color plates the twelve chapters span the southern reaches of new spain through mexico and navajo country to the dakotas and upper canada and the early indian civilizations to the ruins of the nineteenth century west at the heart of this volume is a search for a human geography of colonial relations contested spaces of early america aims to rid the historical landscape of imperial cores frontier peripheries and modern national borders to redefine the way scholars imagine colonial america contributors matthew babcock ned blackhawk chantal cramaussel brian delay elizabeth fenn allan greer pekka h    inen ra   jos   mandrini cynthia radding birgit brander rasmussen alan taylor and samuel truett

wide ranging in scope inclusive in content the revised edition of the brave new world continues to provide professors students and historians with an engaging and accessible history of early north america

encountering early america traces the many cultural influences that shaped english understandings of the americas in the sixteenth century the book demonstrates that the first century of english engagement with america was dynamic adaptive and had a lasting influence on exploration and settlement in the new world

a fascinating study of american life and an explanation of how american life is studied through the everyday details of ordinary living colorfully depicting a world hundreds of years in the past history is recorded in many ways according to author james deetz the past can be seen most fully by studying the small things so often forgotten objects such as doorways gravestones musical instruments and even shards of pottery fill in the cracks between large historical events and depict the intricacies of daily life in his completely revised and expanded edition of in small things forgotten deetz has added new sections that more fully acknowledge the presence of women and african americans in colonial america new interpretations of archaeological finds detail how minorities influenced and were affected by the development of the anglo american tradition in the years following the settlers arrival in plymouth massachusetts in 1620 among deetz s observations subtle

changes in building long before the revolutionary war hinted at the growing independence of the american colonies and their desire to be less like the british records of estate auctions show that many households in colonial america contained only one chair underscoring the patriarchal nature of the early american family all other members of the household sat on stools or the floor the excavation of a tiny community of freed slaves in massachusetts reveals evidence of the transplantation of african culture to north america

it is virtually impossible to generalize about the degree to which women in early america were free what if anything did enslaved black women in the south have in common with powerful female leaders in iroquois society were female tavern keepers in the backcountry of north carolina any more free than nuns and sisters in new france religious orders were the restrictions placed on widows and abandoned wives at all comparable to those experienced by autonomous women or spinsters bringing to light the enormous diversity of women s experience women and freedom in early america centers variously on european american african american and native american women from 1400 to 1800 spanning almost half a millenium the book ranges the colonial terrain from new france and the iroquois nations down through the mainland british american colonies by drawing on a wide array of sources including church and court records correspondence journals poetry and newspapers these essays examine puritan political writings white perceptions of indian women quaker spinsterhood and african and iroquois mythology among many other topics

tells the fascinating stories of the myriad women who shaped the early modern north american world from the colonial era through the first years of the republic women in early america edited by thomas a foster goes beyond the familiar stories of pocahontas or abigail adams recovering the lives and experiences of lesser known women both ordinary and elite enslaved and free indigenous and immigrant who lived and worked in not only british mainland america but also new spain new france new netherlands and the west indies in these essays we learn about the conditions that women faced during the salem witchcraft panic and the spanish inquisition in new mexico as indentured servants in early virginia and maryland caught up between warring british and native americans as traders in new netherlands and detroit as slave owners in jamaica as loyalist women during the american revolution enslaved in the president s house and as students and educators inspired by the air of equality in the young nation foster showcases the latest research of junior and senior historians drawing from recent scholarship informed by women s and gender history feminist theory gender theory new cultural history social history and literary criticism collectively these essays address the need for scholarship on women s lives and experiences women in early america heeds the call of feminist scholars to not merely reproduce male centered narratives add women and stir but to rethink master narratives themselves so that we may better understand how women and men created and

developed our historical past

in this clearly written volume hawke provides enlightening and colorful descriptions of early colonial americans and debunks many widely held assumptions about 17th century settlers publishers weekly

a history text of america s colonial period emphasizing the interaction of three cultures colonialists indians and blacks

collection, making it easy to find and access your favorite titles.

Syncing Across Devices

Many ebook platforms allow you to sync your library across multiple devices, so you can pick up right where you left off, no matter which device you're using.

Challenges and Limitations

Despite the benefits, free ebook sites come with challenges and limitations.

Quality and Availability of Titles

Not all books are available for free, and sometimes the quality of the digital copy can be poor.

Digital Rights Management (DRM)

DRM can restrict how you use the ebooks you download, limiting sharing and transferring between devices.

Internet Dependency

Accessing and downloading ebooks requires an internet

connection, which can be a limitation in areas with poor connectivity.

Future of Free Ebook Sites

The future looks promising for free ebook sites as technology continues to advance.

Technological Advances

Improvements in technology will likely make accessing and reading ebooks even more seamless and enjoyable.

Expanding Access

Efforts to expand internet access globally will help more people benefit from free ebook sites.

Role in Education

As educational resources become more digitized, free ebook sites will play an increasingly vital role in learning.

Conclusion

In summary, free ebook sites offer an incredible opportunity to access a wide range of books without

the financial burden. They are invaluable resources for readers of all ages and interests, providing educational materials, entertainment, and accessibility features. So why not explore these sites and discover the wealth of knowledge they offer?
