this book imagines the ocean as central to understanding the world and its connections in history literature and the social sciences introducing the central conceptual category of ocean as method it analyzes the histories of movement and traversing across connected spaces of water and land sedimented in literary texts folklore local histories autobiographies music and performance it explores the constant flow of people material and ideologies across the waters and how they make their presence felt in a cosmopolitan thinking of the connections of the world going beyond violent histories of slavery and indenture that generate global connections it tracks the movements of sailors boatmen religious teachers merchants and adventurers the essays in this volume summon up this miscegenated history in which land and water are ever linked a significant rethinking of world history this volume will be of great interest to scholars and researchers of history especially connected history and maritime history literature and global south studies

colonizers are driven into a state of panic by the circulation of a humble chapati a young girl's setting her family's shoes on fire seems comparable to a nuclear attack a sleepwalker kills two hundred and eighteen turkeys just to be rid of them are these events of historical significance? the works of salman rushdie michael ondatje and bharati mukherjee seem to suggest that this question might be answered in the affirmative the anecdote fleshes out what historical facts must elide in their abstraction this study proposes that the fiction of all three authors can be read through rushdie's metaphor of the chutneyfication of history in line with the lighting of shoes and the murder of turkeys the chutney's presence is a playful unhistorical one a presence however which rushdie ondatje and mukherjee proceed to turn into an historical agent in its own right in a fusion of postmodernist and postcolonialist politics contrary to the claim that revolutions can be made by bread alone this study suggests that this postmodernist agency of postcolonial aporia may in fact be self-defeating and that the rejection of communal resistance which emerges in its wake must be considered in a much more critical light

the essays in the book relate to colonial history of calcutta architecture and

politics of new delhi robin hood myth australian multicultural theatre feudalism in european history schooling of english workers children from the 1780s to 1870s world systems before capitalism gatt and world trade organization contemporary chinese writers ur mahabharata translations and protests against vietnam war in australia

bharati mukherjee is at her best in the depiction of cultural clash between the east and the west she has indeed become a celebrity for her distinctive approach to expatriatehood as a metaphysical experience of exile the book the first of its kind on the novelist makes a comprehensive attempt at evaluating various aspects of mukherjee s fiction and her contribution to the study of immigrant writing and modern fiction

this book describes what an art of multiculturalism could be and how in turn multiculturalism could be conceived as a form of art it focuses on the early and middle work of indian born u s writer bharati mukherjee in particular on her understanding of the fusion of literature and painting as a tool to inspire the creation of a new global society by empowering minorities through fostering and multiplying differences in unity and unities in difference the book includes in condensed ways an explanation of mukherjee s use of ancient indian painting techniques for postmodern writing and it provides a short introduction to the relation between multiculturalism postmodernity and imaginal politics the book is written in an easy to read style accessible to all interested in the topic high school and university students and teachers those generally interested in the interface between literature the arts and politics and specialists in multicultural studies and global and international studies the book is particularly suited to use in teaching

a radical contribution to the understanding of indian history as a discipline this book explores the politics of history writing in modern india it narrativizes the engagement of a civilization with the historical sensibility and modality in doing so it asserts that history in order to be understood better has to deploy the language of the layperson in india and interact with the mythic the ahistorical and the folk the endeavor is not to offer a comprehensive account over the last two centuries but rather to explore the manner in which historical thinking inserted itself into the public domain

includes section reviews and notices of books
