michael ramsey s modern classic the gospel and the catholic church is as relevant today as it was when it was first published some 70 years ago in it ramsey understands the church as a reflection the death and resurrection of christ and then argues that the various expressions of christianity today

each express their own gifts in accordance with the resurrection whether they are catholic protestant evangelical eastern or anglican a rewarding read for whomever undertakes it this book will broaden your view of the church and deepen your appreciation for the many forms of christian expression

this book asks why tax policy is both attracted to and repelled by the idea of justice accepting the invitation of economist henry simons to acknowledge that tax justice is a theological concept the work explores theological doctrines of taxation to answer the presenting question the overall message of the book is that taxation is an instrument of justice but only when taxes take into account multiple goods in society the requirements of the government the property rights of society s members and the material needs of the poor it is argued that this answer to the presenting question is a theological and ethical answer in that it derives from the insistence of christian thinkers that tax policy take into account material human need necessitas without the necessitas component of the tax balance tax systems end up honoring only one of the three components of the tax equation and cease to reflect a coherent idea of justice the book will be of interest to academics and researchers working in the areas of tax law economics theology and history
